TEACHTAIREACHT AN CATHAOIRLEACH

A Chairde

Mar Cathaoirleacht ar Coiste Chontae Liatroma is mór an athais orm fáilte a fhearadh romhaibh go léir cuig Páirc Seán MacDiarmada , Cara Droma Ruisc inniu.

On behalf of Leitrim County Board I would like to welcome the supporters of Allen Gaels, Eslin, Aughnasheelin and Drumkeerin to the Leitrim Junior and Intermediate finals.

In the Junior final Eslin take on Allen Gaels in what promises to be a very entertaining game between two teams who are well accustomed to county final day. Eslin are the Kingpins of the Junior championship and have appeared in many finals of late, while on the other hand Allen Gaels are more renowned for the appearance of their senior team in the county final.

In the Intermediate final Aughnasheelin take on the men from Drumkeerin in what also promises to be an intriguing clash. Both clubs have a very good record in promoting underage football in their respective clubs and the teams taking the field today bear testimony to the efforts of the many people who have worked so hard to ensure that the young people from their parish develop the skills of Gaelic football and compete to the very highest standards.

As we look forward to two very entertaining games I want on behalf of Leitrim County Board to thank the Junior and Intermediate clubs of the county for their co-operation in getting the competition completed on the scheduled date and the members of the competitions control committee for their efficient organising of our calendar of games.

I want to thank our very loyal group of dedicated referee's who by making themselves available every weekend ensure that our games can proceed. To these men we are very indebted and sincerely grateful. To today's match officials I want to wish the very best of luck.

To the members of the Páirc Seán committee and to all the stewards who not alone today but through all the of the other championship games played at the various venues, I want to say thank you.

PRO'S ADDRESS

I would like to thank all those who have assisted in the compilation of this programme in particular the officers of the competing clubs. Thanks to James Molloy and Maria Molloy for the photos and to Mickey Moran and John Morrison for their article.

I'm delighted that John and Mickey grabbed the offer of getting their message across via an article in this publication. The article is carefully aimed at ALL who associate themselves with gaelic sport in Leitrim. It does not matter where your specific interest lies; let it be a player, coach or supporter of your club, school, county development squads, county teams, there are strong thought provoking messages there for you and they are very important messages. Please read the article with an open mind and a willingness to change, nurture and improve our gaelic games in Leitrim. With our teams, clubs and supporters all in step we will cross the winning lines.

I'd also like to thank all of our sponsors, advertisers, programme sellers and to you the valued supporters of Leitrim Club football.

Finally a big thanks to Lisa and all the staff at DPS Print for all their help.

I hope you enjoy the games and best of luck to the four teams.

When Leitrim Calls....!

Let us begin by stating how delighted we are to be in lovely Leitrim. We have been made most welcome by all we have met and we are certainly looking forward to the challenge ahead.

We feel both honored and privileged to be here. We feel wanted. We are here because **'Leitrim Called Us'** and so our motto for the future to all who love Leitrim is when Leitrim calls – **answer the call** with a resolute attitude, a strong mind, a positive outlook and a willingness to do all that it takes to fulfill the collective vision;- **Winning is a habit performed EVERY DAY.**

The vision for Leitrim is as it always was – to win a Connacht title and then go as far as possible in the All Ireland series, as well as striving to become ultimately a Division 1 National league side. During and after our tenure in Leitrim, we hope to have Leitrim strong and viable contenders to fulfill their vision every year.

AND WHY NOT LEITRIM ?

To help us all cope in our tasks we should follow the 3 simple needs of the 'coping' part of our brain, which allows us to think effectively and remember clearly. These simple needs are:-

1. Direction: Leitrim's vision as a county must be matched at **club and school level** by a **'be the best we can be'** approach. Achieving our 'Personal Best' requires working to the highest standards at all times. It must be a question of **'Don't Count the Days, but Make the Days Count'**. **Everyone** in Leitrim gaelic sport must strive to make a difference.

2. Self Esteem: It will be our job as coaches, as in your clubs and schools, to make all our players aware of their strengths and have them playing to them. We must produce players with strong minds and high self esteem who are fully in control of their own destiny. Games and titles are only won by playing to one's strengths. We will also strive to fix those areas which players need to fix.

We appeal to supporters to encourage players always and especially in games. **'Target the performance, NOT the person'** in your comments. Support rather than destroy, build rather than break is our motto.

3. Routine: This is the staff of coping with life. We hope to complement, nurture and help deliver the appropriate coaching structures needed to ensure the development of players so that Leitrim can proudly compete at the elite level. **'If we don't train the way we want to play, we won't play as well as we can'**. We look forward to working with the coaches in Leitrim who have already made a magnificent and significant start to this process.

If commitment simply means 'keeping your word' we will give everything we can to the cause of Leitrim. To ensure that success, we will see **'time as opportunity'** and ask **'that we all go the extra mile; - it's never crowded'**

Yours sincerely

John & Mickey

Aughnasheelin Club History

Club Name: Achadh Na Sileann

The first mention of football in Aughnasheelin would be at county convention held in Drumshanbo oct 20th 1889, the team was known as Oughteragh Wolf Tones with the most of the team coming from the lower half of the parish taking in Cornawall. The club applied to be affiliated but there was an objection from the Ballinamore club known as William McBriens, the argument was that one team was enough in the parish. the parish is known as Oughteragh with Aughnasheelin the half parish. The Wolf Tones delegate stated categorically that they would never join with Ballinamore. To cut a long story short Wolf tones applied the following year and were successful so the club dates from 1890.

Although the club has only one senior title in the early 1900s they contested the county final of 1933 against Ballinamore it ended in a draw and the replay ended in a narrow win for Ballinamore. The club went out of existence for a few years in the 50s most of the players played with Ballinamore. The club was reformed in the late 50s and was to prove a very successful era with four league titles and a junior championship win in 1965, a senior league title in 1969 beating neighbours Ballinamore in the final.

Fast forward to 1978 the club won its first under age title beating Cloone to win the u12 title, that team would go on to win all underage titles and were narrowly beaten in the minor championship final of '84. The next big win at under 12

would be 1997 when Aughnasheelin beat Anaduff in the final, the present team consists of a few from that side namely Gavin and Barry McWeeney, Wayne Gilgunn, Cathal Egan, Gavin Sammon and Vincent Mulvey. The following year the club would represent Leitrim in Feile in Donegal staying with the Fared Gales club.

All of the present team have won minor and u21 titles with Oughteragh gales. The club have provided many players to county teams down the years in all grades going back to 1927 with the late cannon Joe Dolan to the present time with Barry McWeeney and Niall Murray. We also have a strong tradition of Ladies football in Aughnasheelin, our present team were beaten in the junior Championship final last Weekend. This year we have won the U14 9-aside championship, we are in the 9 aside U12 final against Allen Gaels and our minor side are in the league final. The club grounds were purchased in the early 80s and have been upgraded in recent years with a training area added also this year two new dressing rooms, gym and meeting room have been added on. The club won best grounds in 2006. There is also a very strong tradition of Scór in Aughnasheelin and the club won the all Ireland title in 2006 in the ballad group section. The group were made up of Cait, Declan and Brendan Sammon, Sinead Egan and Sile Mc Nulty. The club have a strong tradition of refereeing in the county and country and our own Seamus Prior refereed all Ireland Finals at minor and senior.

We would like to wish the lads the best of luck in the final.

Drumkeerin Club History

Brian Hoare N.T of Knockcroghery, Co Roscommon a teacher in Allenview National School organised the first Drumkeerin Gaelic football team in the modern era. Before coming to Drumkeerin he played club football in Dublin and he also wore the Roscommon Senior jersey. Drumkeeran took part in the North Leitrim League when teams played for the "London Cup". The clubs first game, on Sunday 2nd April 1933, was played in Buchanan's Field which lies between the Dowra road and the Old road and resulted in a defeat to a Ballinaglera team. The Club flourished throughout the thirties. Among the Drumkeerin men who played were John Clinton John McKenna, Vincent O'Donnell, Frank Mc Grail, John Walsh, Hubie McParland, Felix McParland, and Charlie Higgins. Among the players who played before the club was formally set up were Michael VBlest, Barney Owens, Chappie O'Donnell, Johnny O'Neill, Godfrey O'Donnell, Miley Gilroy, Hughie Rourke, and Michael William Higgins.

Pat Christy, Larry Christy, Myles Christy, Pete Gilroy, Shane Corristine, Johnny McLoughlin, Hughie Mc Morrow, Tommy Gilhooley, Eddie McPartland, Tommy Guihan, Mike Higgins continued the tradition initiated by Brian Hoare in 1933. Proper football boots were rare and gradually as funds were collected the club was able to acquire boots. Dances and suppers were the principal fundraisers were held on the old Barrack loft, in Crow's hall or in Kelly's Hall. Food for the suppers was provided by the mothers of the players. Each player usually brought a can of fresh milk. Dance and supper combined cost 1s – 3p. Funds were also raised by organising a sports day, which could yield up to £20. A match was usually played in conjunction with the sports and a dance finished off the days activities. Incidentally the first jersey worn by the 30's players were blue and yellow.

Jack Walsh NT, Seamus Duignan, Patrick Forde, Tom Beirne, Paddy Kelly, Sonny Crown and Jim Gallagher facilitated the transition of Drumkeerin football from the early years into the fifties and sixties. Fr. Seamus Duffy a Meath native was appointed curate in Inishmagrath in 1953. Fr. Duffy was instrumental in acquiring a field on the Manorhamilton road, where all games, up to the purchase of the present pitch, were played. It was here that senior players like the O'Connor brothers,, Seamus Fallon, Joe Leyden , Tommy Gilhooley, Paddy Forde, Anthony O'Rourke, Jack McGee, James Doherty, Liam Bouchier, Paddy Joe McGovern, Tom Fallon, John James Fallon, John McLoughlin, Michael McHugh, Jim Hazlette, Gerry Rourke, Michael McNulty, Paddy McGowan. Mickey Davitt, Charlie Flynn, Gerry Rynn, Tommy Cassidy, Martin Devitt and Joe Davitt showed their skill. The Fr. Duffy era was significant for the advance in Drumkeerin's football fortunes but also was a time of appalling emigration when whole families sold out and left the country. Most promising players in the area were lost. Before Fr. Duffy left in 1961, efforts were made to hold

the club together and the formation of a minor team which at a stage amalgamated with Drumshanbo. This minor team bridged the gap between the fifties and the era of the early sixties. The club was revived in 1963 on the arrival of a Cavan man, Eamonn O'Grady who was the driving force of the club for many years. In 1964 Drumkeerin lost to Annaduff in the Junior Championship Final, however in 1966 the junior title was claimed by defeating Mohill. The Junior League was won in 1967 when Fenagh did not play the final, and in 1969 the club reached the semi-finals of the County Senior Championship, losing out to Melvin Gaels.

Curiously enough the club lapsed in 1973 despite having won Minor League titles in 1970 & '71, and the Junior League in '71. The club was reorganised in October 1973 with Chairman Charlie Flynn, Secretary Andy Redican, and Treasurer Tony Forde. Drumkeerin were defeated by Aughawillan in the 1974 Junior Championship Final but in 1975 made amends winning the League and Championship double defeating Eslin. In 1975, Shamrock Gaels amalgamation of Dromahair, Drumkeerin and Drumshanbo won the County Minor Championship Title. 1981 brought further success winning the Junior League. In 1983 the club completed the purchase of a new club ground which was negotiated by Clare native Michael Hanley R.I.P. who was club Chairman. Drumkeerin enjoyed a very successful 1980's at underage level and in October 1986 Drumkeerin and Dromahair played an U14 Challenge game in Croke Park. In 1988 Andy Redican won the Leitrim clubman of the year award.

The 1990's saw continued success at underage level. Pairc Naomh Brid was officially opened in May 1993 with Derry and Leitrim playing a Senior Challenge. In 2000 the Intermediate team lost to St Mary's in the final. The club reached the Senior B Championship final in 2004 losing out to Glencar/Manor. In 2005 our second team captured the Division 3 League. In 2006 the U21's won the 13 aside Championship. In 2007 Division 3 league was captured and the U21's reached the final of the 15aside. The 2000's have proved another successful decade at underage level and also for the club ladies and girls football achieving County and Connacht success. The player profile section of this programme illustrates the underage success achieved with this current Panel of players. The club facilities are constantly improving with a pitch upgrade and a new training pitch, also plans are in place for extension to the clubrooms. The Handball Club has been reformed and is flourishing with the construction of a new Court & Gym facility at Pairc Naomh Brid. From this brief history we have a Proud Parish and Club tradition with Gaels past and present.
